Weather was ideal over the weekend for fishing. In fact, it was good for the past two days with no rain but the tide was rather low in the morning. Rising in the afternoon, it again at night which is soft crabbing and flounder fishing that are too low are fresh water fishing. A not ideal. Bass and perch are striking good and the most places is clear. We had Pearl River, East and West are almost clear and fishing should be at its best. Casting and even stilling with worms, minnows and shrimp should produce a few small specks caught up Jordan River are beginning to bite.

Crabbing and floundering and lights are beginning to dot the beach from out Bayou Caddy. Some flounder being caught up Jordan.

Good licenses will be due and you had better get out can purchase them at art House or Kingston's Shop and the law says you have same on your person when fishing. Resident fishing licenses can be had on the west side of river at Pearlington, Miss. Fishing main East Pearl either side of the river same license but cannot enter in Louisiana unless a Louisiana license, the fishing applies to those with a license fishing the Mississippi of the river. Must have a Miss. license in Mississippi streams.

Personal
Mr. and Mrs. Marcel Anderson, who have been residing in New Orleans, are moving back to Bay St. Louis this weekend and will occupy their home on Melody Lane.

Major John Hohnstetter of Pass Christian has just returned from a Florida trip where he did a great deal of fly fishing. The major got a number of Big ones. We have a lot of big ones around here too Major.

Louis Trege, office manager of Pass Christian Golf Club accomplished a feat last week that many golfers would like to do. He made a hole-in-one on the No. 10 hole.

Congratulations Louis, I have been trying to make one for 48 years. It goes to show you, form will tell.

Activities at the Pass Christian Golf Club include the Walker Cup. Tournament which is free May 15 and 16 and on May 22 and 23 the General Hickey Tournament which is also free.

Two of the most effective baits are the Rebel and the Repalla. They are used on spinning rods, float on the surface and retrieve under water.

A fresh water bait they will also catch speckles. They come in several sizes and can be purchased at most tackle places.

Good news to those who fish in the Pearl River area. Middle River is almost clear and should be ready for fishing next week.

Pearl River proper is practically clear and some good fishing can be expected soon. Bass fishing either up or down from Pearlington can't be beat. Perch and bass are plentiful in this section and are there for the taking. Fishing on both sides of the river can be done with a Mississippi license.

Now is the time to plant that vegetable garden. Watching it grow is something and it can be a money saving proposition when it comes to putting vegetables on the table. For those who don't

Personal
Mr. and Mrs. Neilus Favre entertained a party Saturday afternoon for their youngest son Michael on the occasion of his eighth birthday.

Mr. and Mrs. Neilus Favre and sons Neilus Jr., Edward and Michael, spent Sunday in Metairie, La., where they attended the christening of their nephew Thomas Edward Sticker in Christ the King Catholic Church.

Godparents were a maternal uncle and aunt, Mrs. Joseph Ladner of Pearlington.

Some speckles are being caught along the seawall all the way to Bayou Caddy. Early morning fishing is the best. We have reports that hard crabs are being caught also. Soft crabbing and floundering is improving right along. Some flounders were caught up Jordan River last week, as well as on the mud flat.

The beach at Pass Christian is ideal for soft crabbing and floundering. It's a pleasure to walk on the hard sand, and there are miles of it. Lights have been seen out front from the R. R. Bridge to Bayou Caddy. Some good reports have been received regarding catching crabs and flounders. Now is the time to go.

The Bay St. Louis, Bay Scout Division meeting will be held at the Legion Home, 7:30 P. M. on May 27. Also at this time reports on the area Finance campaign may be made.

Some of the best news has come to fishermen: A weedless treble hook.

Ask any expert bass fishermen what is the most exciting way to catch largemouths. Nine out of ten of them will reply "with surface lures".

Next, ask the same experts what is the best place to find bass. In the springtime, at least, the answer will be "in the weeds".

But topwater plugs and weeds never were compatible. Snagging is a constant nuisance. Until today, that.

"At last," reports expert Dick Kotis, "It's actually possible to fish surface plugs where the greenery is as thick as in a tossed salad."

The breakthrough came when Arbogast designed weedless treble hooks for their deadly two-some-the Jitterbug and Hula Popper. But eager to help every fisherman, the company went further than that. They've made those same weedless, snagless trebles available in many sizes to replace the regular treble hook on anybody's favorite floater in just a few seconds time.

"It's bad news for bass," concludes Kotis, "But the best news for bass fishermen in many a moon."

Norman Green and Leo Choina made a nice catch of flounders Saturday night. They stuck 8 and were using the old time coal oil Torch.

This light is made of a gallon oil can with a 1/4 inch pipe, with notches in the end which is wrapped with asbestos and a valve to regulate the coal oil. Ask any old timer. He used one a few years back.

Jim J. New originally from Cincinnati, Ohio, and his wife are spending a 2 month vacation on the Coast at Pass Christian. Jim is a fisherman, a banjo player, and loves to have a good time in general. Yes, Jim, croakers are good eating fish.

Mayor Frank J. Desmond of Sheridan, Colorado is visiting Mr. and Mrs. Marcel Scalliet at Pass Christian. The Mayor says he was National speedboat champion in 1940-41-42. Intercollegiate Boat Racing & swimming champion. He loves to fish, golf and bowl. We have plenty of these sports around here Major!

LOCAL SPORTSMAN
LAVERNE FAHLMAN

Fahلمان besides loving to fish for many years has put in a lot of hours working with the Boy Scouts. As scout Master of Troop 208 he is hard to beat. He takes part in all scouting activities from holding meetings to running camps and is looked up to by the boys and associates as Daddy of scouting in this section. His work came first and he says he hopes to get back to fishing soon. All work and no play makes Jack a dull boy, Laverne.

COMMUNITY IN MERIT PROGRAM CLAIM AWARDS
The 92 communities participating in the statewide Merit Community Program have claimed a total of 230 awards in the two categories of self-improvement since the project began five years ago according to an evaluation report issued today.

The value of projects either completed or underway is impossible to accurately estimate, according to Incoming Chairman J. C. Redd of Jackson. He added, however, that volunteers working in the 92 centers had "brought about improvements worth many millions to the state."

"Since the inception of Merit in 1960, there have been thousands of articles written about the improvements wrought by civic leaders who have taken the concept of Merit development and carried out its recommendations," he said. "The underlying value is in bringing people in our cities closer to their chambers of commerce, their elected officials and the professional state agencies that can be of assistance to them."

"The primary concern has been to help our cities become more conscious of factors affecting their total industrial potential." A few of the significant achievements cited in the report: 31 communities either constructed or im-

Industrial Enameling Division

P. O. BOX 309 — CENTRAL AVENUE
BAY ST. LOUIS, MISSISSIPPI

OPEN LETTER TO PEOPLE OF HANCOCK COUNTY:

On Friday, April 30th, the Sheet Metal workers employed in the Enameling Division plant of Industrial Electric, Inc. voted to strike rather than accept the wage increase which we offered to them, which increase amounts to \$416.00 per year per man in the second year of a two year contract.

The Porcelain workers in the Enameling Plant accepted our offer for a similar amount. Also, all other crafts in our New Orleans plants have accepted similar increases.

It has come to our attention that we are accused of exploiting the men working in our plant. We would like to set out the below information which we feel will show that the wages paid in our plant are much above the average wage rate paid in the Bay St. Louis area and which are in line with wages paid in Enameling plants in other areas of the Country with whom we have to compete.

ANNUAL EARNINGS (If increase is implemented)	NUMBER OF EMPLOYEES
\$8,000.00 and over	6
\$7,000.00 to \$8,000.00	10
\$6,000.00 to \$7,000.00	3
\$5,000.00 to \$6,000.00	10
\$4,000.00 to \$5,000.00	37
\$3,000.00 to \$4,000.00	55

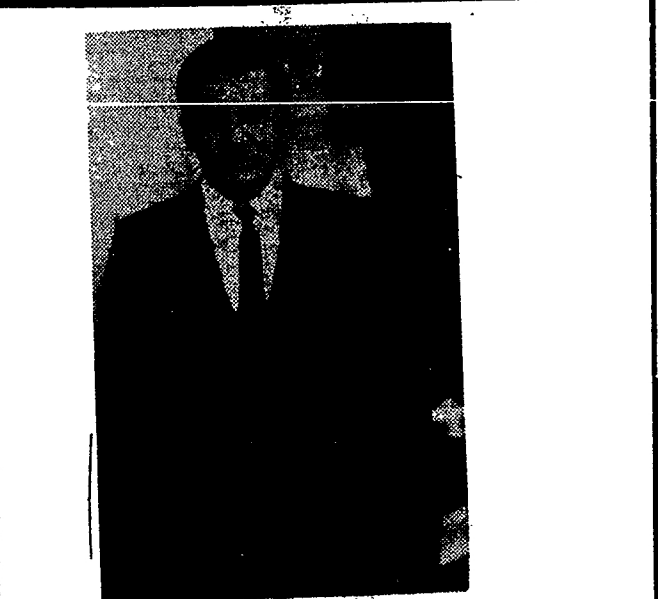

NOTE: There are only 8 employees receiving the minimum wage rate of \$1.25 per hour and they are trainees. They are also included in the proposed increase.

We would also like to point out that the increase offered is in excess of the guide lines set out by the President of the United States. President Johnson asked Management and Labor to hold wage increase and prices to approximately 3 to 3 1/2% annual increase.

Further, the average rate offered to the Sheet Metal workers would be 5% higher than the average worker in the same general classification according to the latest figures published by the Mississippi Employment Security Commission.

We sincerely believe that wage increases in excess of what we have already offered would place us in an unfavorable competitive position and cause a decrease in employment.

Very truly yours,
INDUSTRIAL ELECTRIC, INC.

Announces Candidacy
FOR MAYOR BAY ST. LOUIS
ELECTION, MAY 11

To the voters of Bay St. Louis:

If elected mayor I propose the following.

Local taxpayers would be given every legal opportunity to obtain contracts given by the City in preference to out of town contractors.

Will publish City financial statements and in the event of large profits in gas or water operations the charges for the utilities will be reduced.

More illuminated play grounds and an illuminated soft ball field for back of town.

Culverts where they are needed especially in front of Valens C. Jones School.

Work for Railroad over pass across front street.

Will work to keep parking meters out of Bay St. Louis.

Will work with every person or any group of people for a better City.

Anyone requiring transportation to go to poll

A mother's thoughts

Atomic bombs darken our skies... radioactive fallout threatens unborn genera-
tions... there is strife, unrest, even war in many parts of the world! How can we
face the future with confidence when humanity stands at the very brink of
destruction?

There is only one way: to be courageous and steadfast, and trust in the wis-
dom and mercy of God!

This little girl, my own daughter, does not know what troubles my heart. She
is not afraid of tomorrow... not yet! Through the Church she will learn the ways
of the Lord and how to live a truly Christian life. Through prayer may God help
me set an example for my daughter... teaching me to put my trust, yes, my very
life into His hands, no matter what the future might have in store for us!

service to the Constitution. They have now abandoned all pretense and are pushing for passage of a bill that will have the federal government take over control of all state and local elections, as well as federal elections, lock, stock and barrel. Many sections of the bill are clearly unconstitutional. I am particularly amazed and frightened by the section which seeks to abolish, by statute (by a mere act of Congress) the use of the poll tax in state and local elections. Surely this can only be done by a Constitutional Amendment. In order to amend the Constitution, a resolution must be adopted by the Congress by a two-thirds vote of each House, submitting the proposed Constitutional amendment to the States. Only after ratification by three-fourths of the States is the proposed Amendment then put into effect.

The substitute bill now before the Senate treats the Constitution of the United States as if it were a mere scrap of paper. A very grave warning should be sounded so that the Nation might fully understand the fully impact of this proposal. The membership of the Senate as late as 1962 voted to submit to the States a Constitutional amendment abolishing the poll tax in federal elections. It was approved by the States. During the debate on that Senate resolution, the Senate voted 59 to 34 to reject the statutory method. Further, the Attorney General of the United States has said that this provision with regard to abolishing the poll tax in the election of state officers is invalid. He said this in his own testimony before the Senate Judiciary Subcommittee and he also said it to the national television audience on MEET THE PRESS.

The enactment of the provision to abolish the poll tax by statute will make a shambles of the Constitution and make a mockery of Senate responsibility. There have been marches in the streets, demonstrations, and other threats demanding that the Senate yield in its dedication to principles and enact a voting rights law which includes the provision that the poll tax in state and local elections will be abolished by statute. The proposed bill was drafted in the atmosphere of massive public demonstrations, introduced in the Senate, and referred to the Committee on the Judiciary with instructions to report back within three weeks. Under such limitations, it was possible for the Committee to hold only a few days of

INDECENT LITERATURE

The 4th Degree Knights of Columbus have taken on the project of checking local stores in town for "objectionable literature on news stands."

Teams of local 4th Degree members will be visiting local establishments who may sell any type of literature to check the racks and see if any objectionable literature does exist.

The 4th Degree Knights of Columbus, would appreciate the co-operation of all dealers of reading materials so that our children may not have access to the literature which may hurt their ideals or damage them morally.

The following is a direct quote from the National Office for Decent Literature.

"The Founding Fathers of this country, had a sound idea of man's spiritual nature and destiny. They built our nation upon a concept of moral decency that includes belief in God, loyalty to country, proper respect for authority, appreciation of the sanctity of the family, concern for the welfare of neighbor,

and willingness to work for the good of the community.

This concept is now being weakened by a kind of moral erosion. If man differs from the animal only in degree and not in kind, he is not bound by any moral code. Objective right and wrong disappear with his human dignity.

The minds of boys and girls whose reading consists of books and magazines that exploit sensational sex and present themes of selfish interest sadistic brutality, crime and perversion, are being fixed in a pattern which not only condones evil, but make it an acceptable and even attractive way of life.

Objectionable literature is seriously damaging public morality. Specifically, it is destroying the sense of right and wrong in the

MORREALE-WEST WEDDING SOLEMNIZED HERE APRIL 24

Miss Judy Karole West, daughter of Mr. and Mrs. Henry W. West, became the bride of Joseph Morreale, son of Mr. and Mrs. Anthony Morreale Saturday, Morning April 24, in a double ring ceremony in Our Lady of the Gulf Catholic Church, with the Rev. Michael Kelly officiating.

Professor Joseph Himmelsbach organist, played the processional and recessional.

White gladioli and palms decorated the church.

Given in marriage by her father, the bride wore a street length white peau de sole dress. Her short veil of illusion fell from a small pearl crown and she carried a bouquet of white carnations.

Miss Janice Bourne, maid of honor, wore a green whipped cream dress, small white hat and carried a bouquet of carnations.

Martin Morreale, a cousin of the groom, served as best man.

A reception was held at the Knights of Columbus Hall.

The bride's table, covered with white net over satin, was centered with a three-tiered wedding cake trimmed with white roses, topped with sugar bells and a bow of ribbon and tulle interspersed with small white roses.

After the bride and groom cut the first slice of cake it was cut and served by Mrs. Georgia Rose Stevens.

Mrs. West chose for the occasion a blue whipped cream dress with white accessories and a corsage of yellow roses.

The mother of the groom wore a dark blue dress, white accessories and a corsage of yellow roses.

The bride, a graduate of Bay High, Class 1964, is a dental assistant in the office of Dr. O. J. Mollere.

The groom, also a graduate of Bay High, is employed at Boeing Company Michoud.

The couple is making their home in an apartment on Carroll Avenue.

DISAPPOINTING SHOWING FOR LITTLE LEAGUE TRY-OUTS

Mrs. Theo Tudury, recreation director, stated she was disappointed in the number of children who registered Saturday for Little League try-outs.

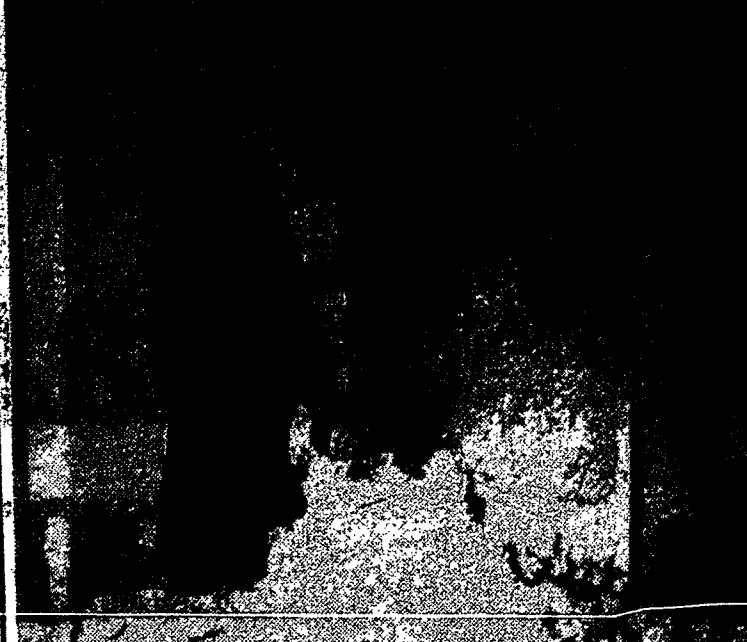

Only 48 Little Leaguers and 9 Pony Leaguers registered, she added.

Registration will be held again this Saturday at the ball park in Uman Avenue.

Mrs. Tudury stated she is badly in need of managers and anyone who wants to manage a team can contact her.

New sponsors this year are Industrial Electric, who will also sponsor a Pony League and Hancock Bank, who will sponsor a Little League team.

Official play for the Little League will begin June 7, and practice will be every Saturday, Mrs. Tudury said.

Mr. and Mrs. Hugo M. Satterlee, who have been making their home in Bay-St. Louis for the past nine years, celebrated their 50th wedding anniversary Wednesday, April 28.

The couple renewed their vows at 11 a.m. Mass in St. Joseph's chapel with the Rev. William Grangell, C.S.R., of St. Alphonsus Church, New Orleans, a life-long friend of the family, officiating.

Vases of golden and white mums and two tall baskets of gold and white blossoms decorated the church.

Father Simon of St. Augustine Seminary rendered a program of organ music during the Mass.

Mrs. Satterlee, the former Jane Ethel Mary, who had her sister Mrs. Lawrence LeBon of New Orleans as her attendant, wore a lavender chiffon dress, white hat and accessories and a corsage of white roses for the occasion.

Mrs. LeBon was maid of honor at her sister's wedding 50 years ago.

Gerard Satterlee and Patrick Ingram served as ushers.

Mr. and Mrs. Satterlee were married in Notre Dame Church, New Orleans, April 28, 1915. They have three sons, Paul, Gerard and Stephen of New Orleans; three daughters, Mrs. Milton Munch, New Orleans, Mrs. Carlo Bianca, Las Vegas, and Mrs. Loretta Michael, Bay St. Louis, 21 grand-

children and 10 great-grandchildren.

Gold and white mums were used throughout their Dunbar Avenue home for the reception following the Mass.

The table, covered with a lace cloth, was centered with a four-tiered wedding cake trimmed in gold circled with greenery.

Mr. and Mrs. Satterlee's daughters assisted in receiving the many guests who called during the afternoon to extend their best wishes.

Coming from out of town for the occasion were Mr. and Mrs. Gerard Satterlee, Paul Satterlee, Mrs. Satterlee's brother and sister-in-law, Dr. and Mrs. C. C. Mary, Mr. and Mrs. Kent Satterlee, W. Re-elect John A. Scafide Mayor

So often, in political campaigns, candidates speak and write about how "Our city is presently facing one of the most critical and challenging periods of its history." This statement, matter how worn out and trite it may sound, without a question of doubt, most applicable this time to the City of Bay St. Louis.

begun to meet — school expansion, sewage and water work construction, subdivision regulations, zoning ordinances, increased police protection, modernizing municipal codes, building, housing, plumbing, electric and gas codes, active Civil Defense unit, and many others.

No one will dispute the fact that our city NOW experiencing a terrific economic and population explosion. The resulting impact has ready forcibly brought out the obvious need many changes, adjustments and improvements in the scope and quality of municipal services.

We will be faced with many problems during the coming months, some we have already

I say to you in all sincerity, that at this critical point in our city's history, experienced, qualified, able and proven leadership at every municipal level is a most urgent need. I humbly but confidently submit to you that my twelve years of experience as your chief administrative officer, will better qualify me to guide the destinies of our city during the crucial times ahead.

I humbly and sincerely solicit your vote and support in the Democratic Primary on Tuesday, May 11th.
